At The Edge Of Branding Production

CNC | Digital Printing | Offset Printing | Signage
Decorative Materials | Neon & Cold Neon | Machineries
ACP Cladding | LED Screens | Construction Projects

Project Lebanon

Pioneers In Branding

“We adapt to the recession by creating new initiatives and businesses”

Being the pioneer in branding production, Mastergroup has established a new perspective at Project Lebanon.

With a wide product and service portfolio which matches clients' requirements in branding production. We are growing at large pace due to the entrepreneurial philosophy of MR. Fadi Rahi.

Brand experience for a **DUNKIN' DONUTS** pilot test where a new store conceptualized by L'ART QUI-TECTE and produced by Mastergroup .

Visitors experienced DD coffee and donuts while discussing business opportunities

Project Lebanon

Networking

creativity mixed with sound technical aspects and talent.
This was the platform at project lebanon

New Projects

Creativity

From vintage signage to vinyl branding & outdoor signage, Mastergroup's talent is wide spreading to new clients
